## CURRICULUM

### **Piano/Keyboard Classes – (5 1/2 - 7 year olds)**

#### **Tuesdays 5-6 PM**

These Piano Classes are for students who began instruction in June 2024.  
**New classes** (maximum of 6 students each) will begin with the Summer Session 2025!

### **Individual Piano and Voice Instruction**

Private piano and voice instruction is offered on all levels to adults and children age 8 or older. Lessons are 1/2 hour or 45 minutes weekly and are tailored to meet the individual needs of each student.

### **Musical Theater Workshops**

This program provides an opportunity for exploring many facets of musical theater within a positive, creative environment. A spirit of cooperative camaraderie is encouraged, with the rule of *no making fun at another's expense* strictly enforced. Students learn the process of preparing a musical production by example and experience. Instruction for the development of improvisational skills and movement on stage through theater games is provided as well as vocal technique and solfège. Set design and building or make-up application will be incorporated in the program. Each class will culminate in the performance of the musicals described below. Admission will be charged for each of the shows to help defray the costs of production, including “live” piano accompaniment for performances (no taped accompaniment). Tickets may be purchased in advance or at the door. There is no minimum number to buy, but it is hoped that everyone will come out to support our young thespians and singers!
